- 4 Regulated waste types and dead animals can only be disposed of at Central Landfill. Any other waste type requiring a non-typical disposal method will be charged at the Regulated Waste tonnage rate. Acceptance and charges will be assessed on a case by case basis. Small dead animals may be disposed of at Central landfill as general waste if they are sealed in double-wrapped, strong plastic bags.
- 5 Fees must be paid prior to disposing of any waste.

- 7 It is a condition of entry to Council's waste facilities that users will abide by the above criteria and obey all directions of Council's waste facility staff.

- 11 SRRC Resident are those that reside within Councils designated region and can show proof of residency at the time of disposal. Without proof of residency, non-resident or commercial charges will apply.
- 12 For disposal of weighed items, if the weighbridge is not operational, fees and charges will be determined on deeming weights per vehicle as per the Waste Reduction and Recycling (Waste Levy) Amendment Regulation 2019.
- 13 State Government and Council approved waste fee and waste levy exemptions will only apply when relevant certificates are presented at waste facilities.
- 14 The state government passed the Waste Reduction and Recycling (Waste Levy) Amendment Act 2019 on 21 March 2019 and a waste levy commenced from 1 July 2019 for waste going to landfill. The state levy has no direct impact on households or domestic generated waste, but applies to commercially generated waste disposed of at Council waste facilities and through regular commercial waste collection services.

A bona fide charitable or community organisation as described below may seek a 100 percent reduction in development application fees (includes document lodgement fee) or a 100 percent reduction in licence application and renewal fees. A bona fide charitable or community organisation is an applicant that is:

- (d) where the bona fide charitable or community organisation has an annual turnover of greater than \$5 million the development is limited to facilities accessible for community purposes only.

Any organisation, association or group who seeks a reduction in fees shall lodge sufficient documentation with the Council at the time of application to demonstrate that they qualify for the exclusion.

The Council reserves the right to charge the scheduled fee or charge if the Council is of the opinion that the organisation, association or group does not demonstrate to the Council's satisfaction that they are eligible for a reduction.
