

# Playground Upgrade

February - June 2023

## Junior Chamber Park, Beaudesert

As part of Council's ongoing commitment to developing vibrant towns and villages through its Playground Strategy, Council will undertake playground upgrade works in Junior Chamber Park in Beaudesert.

Works include the installation of a three-level play space together with a shade sail which will span over the new play unit.

This play unit will consist a three-bay swing, featuring toddler seat, classic swing seat and bird's nest seat motivating all to enjoy the sensation of swinging. The height of the bird's nest seat allows for easy transfer from a wheelchair or walker and users can choose to sit, lie or stand on the swing seat. This one-of-a-kind play space includes three levels of play with a huge mix of exciting activities in one impressive unit. Experience high and low level play, sliding action and test climbing skills, promoting physical development and improved balance and coordination.

### When will it happen?

Works are scheduled to commence late February and are expected to be completed in June 2023, weather and conditions permitting. Works will be undertaken generally between 7:00am and 5:00pm.

### Where will it happen?

Works will occur at the Junior Chamber Park along Brooklands Drive in Beaudesert.

### What can I expect?

Council acknowledges there may be a level of inconvenience to visitors to the park, while these works are being undertaken.

Your patience and understanding is appreciated during this time whilst these works are undertaken.

### Questions?

Any enquiries regarding the works should be directed to Council on 5540 5111, quoting 'Junior Chamber Park, Playground Project, Beaudesert'.
